INTRODUCTION

MISSION

The Parish of Saints Faith, Hope & Charity's mission statement is "Led by the Spirit to live the Gospel, our mission is to be a welcoming Catholic Christian community gathered around the Eucharist, committed to life-long faith formation, justice and loving service to others." Our school mission is to provide an educational environment, which aims to develop the spiritual, academic, moral, social and athletic growth of each student. We strive to imbue our students with an atmosphere which encourages self-discipline, respect for the talents of others, and recognition of students as individuals, and exposure to sound and healthy Christian values. Our goals are:

- To develop our students' understanding of and loyalty to the teaching and heritage of the Roman Catholic faith, to help them acquire Catholic moral and spiritual values, and to provide them with opportunities for prayer and worship.
- To foster our students' understanding of knowledge and culture, encourage the powers to reason independently, solve problems, be creative, and to accept responsibility for self-evaluation and continued self-instruction.
- To help our students gain a sense of responsibility for their home, school, community and country.

Underlying all the efforts to attain these goals is the belief that each student realizes his/her God-given potential to its fullest.

PHILOSOPHY

The Saints Faith, Hope & Charity administration and faculty, in cooperation with the parents, teach the basic truths, traditions, morals, and values of our Roman Catholic faith while modeling a Christian attitude.

We acknowledge different learning styles of each student by providing opportunities for observation, exploration, problem solving, cooperation, and application.

We foster the development of each child spiritually, academically, emotionally, socially, and physically by building confidence, encouraging self-reliance, responsibility and the desire to learn.

We recognize parents as the primary educators and strive to work as a community with the parish, students, parents and faculty.

We integrate all learning by emphasizing the fundamentals of education to include experiences in the humanities and technology.

We strive to provide students with the skills necessary to meet our global society.

SCHOOL HISTORY

ADMISSION POLICY

As a parochial school we are aware that we may not be able to meet the educational needs of all students. The Pastor and School Board have adopted the following admission policy:

In the event class size exceeds maximum enrollment, a wait list will be created. If positions within that class become available, they will be filled using the following criteria:

Siblings of existing students; first come first serve

Active registered members of the Parish

Catholics registered with another Parish

Non-Catholics

The school may decline an applicant whose placement may impair the health, security, well-being or educational process of other students, or any applicant whose special needs might not be well-served by the programs of the school. Such decisions will be made by the Administration in concert with the FHC internal learning support team to determine whether or not the school can meet the individual needs of the student.

CLASS SIZE

Generally, each grade is comprised of two classrooms with the maximum per room as indicated. Classes may be added to, split, or combined at the discretion of the Administration.

Junior Kindergarten	20 students per class
Senior Kindergarten	25 students per class
Grades 1-8	25 students per class

NEW STUDENTS

- All applicants and their parents/guardians must arrange for an appointment with the Principal and are encouraged to “shadow” in their appropriate grade.
- The Principal will evaluate all records including IEP’s (Individual Education Plan) or other reports.
- New students must meet the same requirements as enrolled students to enter the next grade level to be able to participate in extracurricular activities.
- Upon acceptance, the school will notify parents/guardians at which time all required fees must be paid and the required documentation submitted for registration to be considered complete (Birth certificate, Baptismal certificate & registration forms).
- All new students are placed on academic and behavioral probation subject to review during the first two quarters of the school year following acceptance.

SCHOOL SUPPLIES

Parents are given the option of purchasing school supplies through the PTO in the spring of each year.

DISCRIMINATION POLICY

FHC does not discriminate on the basis of gender, race, creed, color, or national and ethnic origin in administration of educational policies, scholarship programs, athletic, or other school-administered programs. We admit students who are not Catholic. Parents and students must understand participation in Catholic religious instruction, school activities, and community service related to the Catholic identity of the school are required.

ILLINOIS AGE REQUIREMENTS

- Students entering Kindergarten must be 5 by August 31st of the school year

WITHDRAWAL OF STUDENTS

If a student withdraws from the school, the parent/guardian must notify the office in writing to request a copy of their child’s transcript. All tuition fees are non-refundable as the school’s staffing and budget are dependent upon an assumed number of students. A student’s school records will not be released until all outstanding fees and tuition payments are settled.

TUITION AND FEES

Tuition is established annually by the School Board and approved by the Parish Financial Council. Tuition and school fees are determined in the spring of each year. The School Board supports a tuition rate for Parishioners and a higher tuition rate for Non-Parishioners

Tuition can be reduced through participation in the school's SCRIP's program. See PTO Scrip information.

In addition to tuition, each student is assessed a fee for insurance, technology and educational materials. This fee also helps to offset overall field trip costs, including transportation.

TUITION BILLING & SMART TUITION PROGRAM

Timely tuition payments are crucial for managing the cash flow of the school's annual budget. Families must utilize SMART Tuition unless tuition is paid in full by August 15th. must complete the necessary paperwork by May 15th of the previous school year (new families by July 15th).

WALLY MARZEC SCHOLARSHIP FUND

In order to make Catholic education available to those who recognize the value of Catholic schools, a limited scholarship program is available to assist families who cannot afford the full tuition. Parents needing assistance should contact the principal to explore scholarship possibility requests.

ARRIVAL/DISMISSAL PROCEDURES

The health and welfare of all our students is of utmost importance. The school provides direction and parameters to insure every child's safety. We require all after school plans, activities, and arrangements must be made before your child comes to school each morning. Any changes in dismissing your child other than to their parent/guardian must be in writing.

AUTOMOBILES:

- A.M. Drop Off:
 - Children arriving by car should not arrive before 8:05 a.m. Drop off on Ridge Avenue must be made from the southbound direction ONLY.
 - Drop off on Linden Avenue must be from cars in the Bell Tower Circle ONLY.
- P.M. Pick Up:
 - RIDGE AVENUE
 - This is for grades JK & SK and ALL siblings of JK & SK students only
 - Pick up on Ridge Avenue must be from the southbound direction only.

LINDEN AVENUE

- Pick up from the school parking lot may be made only from cars entering the lot on Linden Avenue, south of the church.
- All cars will enter the church parking lot from Linden, forming three lines facing north toward the gym. You will follow directions from the staff member on duty as you wait to pick up your child through the Bell Tower circle. A "family name card" must be placed in the front window of each car, your name will be called and families will be dismissed from the west gym doors. You will exit the bell tower turning right (northbound only).
- When using the parking lot to pick up, please DO NOT LEAVE your vehicle.
- For safety reasons, students should never enter the car pool line to get into a car – they should wait in the gymnasium until their name is called.

WALKING/BIKE RIDING

- Students who are walking home must exit the premises using the walkway between the playground equipment and the school – no exceptions. With the large number of cars entering the parking lot, it is highly dangerous to have students walking in between cars or loitering around the entrance on Linden. A disregard of this policy can result in disciplinary action.
- All bicycles must be walked on FHC property.

LOITERING

- No students may loiter on street corners of Ridge, Hill, Linden or Sunset waiting for car rides.
- Parents may not park on Linden and wait for children. Exiting these spaces causes disruption to the carpool line and encourages loitering of students on street corners.
- Faith, Hope & Charity is not responsible for the safety of any student who is picked up in a non-designated school place.
- Faith, Hope & Charity will not inform students of parental intentions to meet a child at a place that is not part of school procedures.

BICYCLES:

- Students in grades 3-8 ONLY are permitted to ride bikes to school, assuming they practice caution and safety.
- Bikes must be walked on parish and school property at all times before, during and after school. This includes the lunch hour.
- Skateboards, roller blades, and scooters, of any kind, are prohibited on FHC property during school hours. **NO EXCEPTIONS!**
- **ALL STUDENTS ARE STRONGLY URGED TO WEAR HELMETS.**

EXTENDED DAY PROGRAM

The school offers an extended day program to those parents who need to drop off children early or pick them up late. There is a charge per hour for this service and it will be billed directly from the school office. In order for the school to have appropriate staff available to supervise children in this program the school office requires 24 hour notice.

USE OF STUDENT PHOTOS & VIDEOS POLICY

It is expressly forbidden for any student to upload any school related photos or videos onto internet websites such as You Tube, My Space, Facebook, etc.

CHILD ABUSE REPORTING

Educators are mandated by law to report to the State of Illinois Department of Children and Family Services (DCFS) any allegations or suspicions of child abuse and neglect.

- The attendance record is part of a student's permanent files. Any student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action.

TARDINESS

- Being on time is a necessary part of a student's development. Students are expected to be on time for classes during the school day. Students who enter a class late create a disruption and interfere with the learning of others
- Those students not in the classroom seated and ready for school when the bell rings will be considered tardy.
- Tardies are reported on the official school report cards. They become part of a student's permanent record.
- Students arriving late to school are to report directly to the Health Office to receive a tardy slip.

RELEASE OF CHILD TO PARENT/GUARDIAN DURING THE SCHOOL DAY

- All students must be "signed out" when leaving school except at recess/lunch where a permission form is on file in the school office.
- Parents are encouraged to schedule doctor/dental appointments outside regular school hours. Students leaving during the day must have a note from a parent, and be picked up and returned by the parent/guardian for appointments.
- Students in Grades 4-8 may sign themselves out; students in Grades JK-3 must have a parent or older sibling sign them out.

RELEASE TO NON-CUSTODIAL PARENTS

- In cases of divorce or separation, the School Administration must have on file the CURRENT CUSTODIAL STATUS of each child with regard to legal custody. This also applies to Guardianship when the child is residing with persons other than the natural parents. Any restrictions regarding visitation in any of the above situations must be a notarized legal document.
- FHC abides by the provisions of the Buck Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school related information regarding the child.

LEAVING SCHOOL WITH ANOTHER FAMILY POLICY

- Per the Archdiocese of Chicago Policies and Procedures Handbook, Policy No. 154.1, adopted on 11-26-06 and effective 7-1-97,

“A student shall not be released to anyone other than the parent/guardian without the expressed written permission of the parent/guardian.”

After School Play Dates

Play dates are to be arranged *before* school. No child may call home to arrange play dates or to obtain a note. Please send your child to school with a dated and signed note in order to leave school with another family. This procedure is consistently adhered to for the safety of the children and liability reasons.

ILLNESS DURING THE SCHOOL DAY

- An ill student will be released only to a parent or authorized person as listed on the Emergency Information Card.

RECESS/LUNCH/BIRTHDAYS

- If your child wishes to walk home for lunch on a regular basis, a permission form must be completed and on file in the school office.
- Lunch and recess are divided into grade level periods to accommodate all the students. The time period for lunch and recess is 40 minutes.

Birthday Celebrations:

- Food birthday treats are not allowed in the classroom.

- All student birthdays will be recognized to the entire student body after the weekly Wednesday all-school mass.
- The student celebrating his/her birthday may be “out of uniform” on the day of his/her birthday or other mutually agreed upon day.
- Students with birthdays occurring over a school break may celebrate their half-birthday or other date as coordinated by the student’s parent and teacher.

PTO sponsored Special Lunches, Retreat Lunches and Holiday Parties:

Lunchroom:

- Special lunches for **your child only** may be brought into school. Please do not pass out extra food to other children.

Classroom Instruction:

- Before a student with food allergies or food related medical conditions consumes or handles any food for a project in the classroom, the teacher will discuss the project with the school nurse and contact the parents to determine safety.

No other treats may be brought into school.

SCHOOL EMERGENCY PROCEDURES

The school practices emergency procedures as designated by the State of Illinois and the Archdiocese of Chicago including:

- Fire Drills
- Disaster Drills
- School Lockdown
- The School meets all requirements for the Fire Department as well as state regulators for the use of Heart Defibrillators.

SCHOOL CLOSING

- In the event of an **emergency school closing** during a school day families will be notified by the school’s instant alert phone system. Early or late dismissals will also be posted on Edline.
- In the event of bad weather or other events necessitating a school closing or a late start, such information will be broadcast over local media and on Edline.

VISITORS

For the safety of our school, all visitors are to enter through the school’s main entrance and proceed to the office to sign in and obtain a visitors badge. The name badge is to be worn at all times while in the school. Teachers and students are told to report any visitors in the halls without a visitor’s badge. All parents and visitors must adhere to this procedure.

SCHOOL SECURITY

School doors are always locked. The school utilizes a buzzer and camera system, which allows the office to identify all visitors prior to admitting them. Exterior doors are never to be propped open during school hours.

PARENTS IN THE CLASSROOM

Teachers may request assistance from parent volunteers in the classroom or library for activities or projects. As a parent volunteer, the rule of confidentiality must be respected. Younger siblings **may not** accompany classroom parent volunteers. ALL parent volunteers must abide by the Archdiocese's Compliance Guidelines.

TELEPHONE USAGE-CELL PHONES

- If for reasons of safety, a student brings a cell phone to school, they are to remain in backpacks and are not to be turned on or used during the school day. Since most phones have a camera capability, they are not allowed in classrooms, hallways, locker rooms, or restrooms.
- Students' use of cell phones during school hours will result in having their phone confiscated. Students may use the school office phone with teacher permission.

TELEPHONE USAGE-SCHOOL PHONE

- Students may only call home with a note from a teacher. Junior high students, with a note, may only call home during their lunch period (unless they are calling home for a forgotten lunch).
- Students may not call home during the day for a play date note.

Prayer partners usually sit together during the school masses and have other special times during the year

INTRAMURAL SPORTS

- The school's intramural athletic program includes Grades 1-8, offering boys and girls a variety of sports. The basic purpose of the program is to introduce the children to the fundamentals of various sports and games in a relaxed and fun-filled atmosphere.
- The intramural program is expressly designed to be non-competitive. The teams are balanced as fairly as possible with respect to the players' ability levels, and equal practice time is made available to all teams.
- The program is conducted after school, some evenings and on Saturdays.
- The program's content is flexible, varying from year to year depending on grade size and interest level in a particular sport or game, the program may include:
 - Girls Volleyball Grades 5-8
 - Girls Basketball Grades 1-4
 - Boys Basketball Grades 1-4
 - Boys Flag Football Grades 2-4

INTER-SCHOLASTIC SPORTS

- There are inter-scholastic athletic teams in Varsity Football (Grades 7&8), Junior Varsity Football (Grades 5&6), Girls' Volleyball (Grades 5-8), Boys' and Girls' Basketball (Grades 5-8). Cooperation and good sportsmanship are encouraged through competitive team sports.
- The school athletic policy calls for equal play in Grade 6 (JV Football emphasis is placed on reasonably equal playing time for all participants), guaranteed play in Grade 7 and reasonable playing time in Grade 8. For more information, please obtain a copy of the school athletic policy from the athletic committee or the athletic director.

ELIGIBILITY: GRADES 5-8

Proper school behavior, respect of both others and others' property, good citizenship and sportsmanship are to be practiced on a daily basis whether in school or at a sporting event outside the FHC campus.

Any student who receives a "C-" in an academic subject will be placed on athletic probation for one week. During this time, the student's academic progress will be monitored and if grade is a C or better, the student will be reinstated on the team. The Principal will notify the coaches regarding eligibility. The Principal/ Athletic Director reserves the right to remove an individual from a program should a situation occur that warrants it.

COMMITMENT

- All parents must attend a mandatory meeting at the beginning of each sport.
- Regarding playing time, all athletic teams (both interscholastic and intramural) in Grades 1-6 call for equal playing time. For JV football, because of the nature of the sport, the emphasis is placed on reasonably equal playing time for all students. In Grade 7 the policy is guaranteed play, but not necessarily equal time. In Grade 8, it is competitive with reasonable playing time for all student athletes. The varsity football policy is also competitive, however the coaches' goal is to ensure each player plays a minimum of one play per game. Coaches are responsible for consistently and equally enforcing these guidelines for all team members.

- Commitment and dedication are vital components when participating in team sports. The athletic director and coaching staff request each parent and athlete attempt to arrange schedules to fulfill these important requirements. From time to time there may be competing interests which affect a child's attendance at practices or games, to ensure fairness to all, the following guidelines regarding absences will be implemented by the coaching staff.

Absences will be excused under these circumstances:

- Death in the family
- Doctor's appointment
- Family vacation centered around a major holiday such as Thanksgiving
- Illness
- Tutoring
- Eighth graders are excused from games the night before high school exams
- A student who is ill and misses all or part of a school day may not participate in games or practices on the day they are ill.

Unexcused absences will result in:

- Non-participation for the next interscholastic competition of that sport for a missed game.
- A partial suspension from participation in that sport for a missed practice.
- Any and all extraordinary absences will be taken under consideration by the athletic director, the coach(es) and the administration.
- If a player is not in uniform, it will result in non-participation in that particular sport for the day.
- These guidelines will be consistently and equally enforced for all team members.
- Uniforms must be returned in the condition received.

FEES

Fees for the Interscholastic sports vary by sport based on league fees, equipment and uniform costs. Registration forms with costs are published at the start of each season.

CHEERLEADING

All 5th - 8th grade girls are invited to be cheerleaders for the football season – 5th & 6th for JV Football and 7th & 8th for Varsity Football.

AFTER SCHOOL ENRICHMENT

- The PTO offers an After School Enrichment program. The program is designed to take further advantage of our school's resources and to provide another form of interaction among students of different grades.
- Two six week sessions are offered in the fall and spring. The classes offered vary from session to session.

CULTURAL ENRICHMENT

These programs, sponsored and paid for by the PTO, are designed to complement the school's curriculum. PTO Cultural Enrichment Coordinators arrange for the presentation of programs, in coordination with the administration and faculty. Programs presented are tailored to each grade, or groups of grades, and traditionally support the curriculum.

CHESS

This is an after school activity, organized by a PTO volunteer and run by the Chess Wizard program. It is open to all students, from first time chess players to veterans. The group typically meets in two sessions, fall and spring, and does NOT conflict with After School Enrichment. Specific information about sign-up and dates of the sessions will be forthcoming.

COMMUNICATION WITH PARENTS/GUARDIANS

WHERE SHOULD QUESTIONS BE DIRECTED?

- Questions about the School's policies may be directed to the School Board President or to the School Principal.
- Questions about the Anchors with Heart Fund or other School fundraising activities should be directed to the School Board President or a member of the School Board Development Committee.
- Questions about sports teams or athletics matters or policies may be directed to the Athletic Director or the Athletic Committee. Please **do not** raise athletics related matters with the School Principal, unless you have first attempted but been unable to contact the Athletic Director or the Athletic Committee.
- Questions about the PTO or PTO sponsored programs may be directed to the PTO President.

COMMUNICATING WITH TEACHERS AND ADMINISTRATION

- The school welcomes communication from parents. You may choose to communicate via e-mail, phone, note, or conference. Staff makes every effort to respond to you within 48 hours.
- With regard to communications on certain athletics matters, parents and guardians are requested to observe the "24 hour cooling off rule". Parents and guardians are requested to refrain from speaking with coaches, the Athletic Director or anyone else regarding a try-out related matter or result, any game related incident or any other matter relating to athletics or sports teams that has generated an adverse emotional response or created a difficult or hostile situation, until at least 24 hours have elapsed after the fact.

COMMUNICATION PROCEDURE

If a concern or grievance between parent/guardian or a student with a teacher or school administrator should arise the following procedure shall apply:

- The first level of communication would be for the parent/guardian or student to contact the teacher or Principal to discuss the situation.
- If the concern is not resolved, the parent/guardian will meet with the school Principal.
- If the concern is still not resolved, the parent/guardian or student will meet with the Pastor.
- Parents and guardians are always welcome to contact the Catholic School Office of the Archdiocese of Chicago if the above steps have still not produced a satisfactory resolution.

EDLINE

- Faith, Hope & Charity utilizes a web-based program called Edline as its primary resource for facilitating communication about a child's school work and activities. Edline is a safe and easy way for educators, parents, and students to share information. It provides a consolidated view into school work and activities. See https://www.edline.net/pages/Saints_Faith_Hope_Charity.
- Every class and school organization has a secure homepage where all necessary information is available.
- Every student, parent, teacher, and administrator receives a unique user account for personalized security, permission, and access, which is essential for making private information available for individual students and their parents. It is the individual's responsibility to register and maintain/update their account with Edline. In the interest of ongoing security, it is recommended that parents do not share their parent codes with their children and that children not share their codes with other students.
- As a web based program, Edline is accessible 24/7 from any computer with internet access.

EMAILS

The most efficient method of communicating important information to parents is via Edline. One feature of Edline is the ability to send school-wide emails to parents. The majority of all communication from school will be delivered through Edline and email. In order to prevent redundancy, school wide emails will be administered centrally from the school office. Any emails sent out to the entire parent population MUST be submitted to the administration for approval and sent out via the FHC email administrator.

Please note that the school email list cannot be used for personal use or for commercial, political or advocacy purposes.

Parents are responsible for ensuring that a valid email address is on file with the school to facilitate effective communication, and are requested to notify the email administrator of any changes in their primary e-mail address.

FACTS

- FACTS is the school's weekly newsletter which keeps parents informed on school happenings and upcoming events. It also includes a message from the Principal on timely issues and periodically reviews specific classroom projects or programs.
- Any information that you wish to be included in FACTS must first be approved by the school office, by no later than Wednesday afternoon. FACTS will be available on Edline every Friday.

FRIDAY FOLDERS

- Each student is given a Friday Folder on the first day of school. During the week the teacher places information or school work that needs to go home. Information in this folder is a "must-read" each week. Signed Friday Folders are to be returned to school on Monday with your child.

SCHOOL DIRECTORY

A comprehensive School Directory is published each school year which includes such information as school personnel, family listings, School Board and PTO membership, and school calendar. ***This directory is for the sole and exclusive use of school families and is not to be shared, distributed or accessed by any entity outside of the school community.***

PARENT/STUDENT HANDBOOK

The Parent/Student Handbook includes official Archdiocesan and school policies, procedures and other school related information. Periodic amendments are distributed to school families to update this handbook as necessary.

CURRICULUM NIGHT

Typically held in mid-September, Curriculum Night is an important opportunity for parents to meet the teachers and learn more about the curriculum for their children.

HEALTH AND SAFETY

HEALTH & DENTAL FORMS

- State law requires a physical exam and immunization certificate for all children new to the school and those entering Junior Kindergarten, Senior Kindergarten, and Grade 5. New in May of 2006, is the dental requirement for Sr. Kindergarten, 2nd and 6th grades. These forms will be sent to you in June, and are also available in the Health Office.
- Evidence should be documented that the child has been immunized against diphtheria, pertusis, tetanus, polio, measles, mumps, rubella, Hepatitis B, HIB, and chicken pox. Two doses of measles vaccine are required for every child above the Junior Kindergarten level.
- As of January 1993, all children between the age of 6 months and 6 years are required to be screened for lead poisoning, but in 2005 this was made mandatory.
- New in 2005 is the diabetes screening documentation on the physical exam form
- As of September 1998, children entering Kindergarten and 5th Grade are required to have proof of a Hepatitis B series. This is a series of three injections, the first and second must be at least 4 weeks (28 days) apart and the last must be at least four months after the first, and two months after the second.
- As of September 1997, children 59 months and under entering Junior Kindergarten must have at least one HIB at or after 15 months of age.
- As of July 2002, children entering Junior or Senior Kindergarten must show proof of having received immunization against chicken pox on or after their 1st birthday, or other proof of immunity ie: having had the disease.

ALL PHYSICAL AND IMMUNIZATION REPORTS ARE DUE TO THE SCHOOL HEALTH OFFICE BEFORE THE OPENING DAY OF SCHOOL

EMERGENCY INFORMATION CARDS

- Emergency file cards contain pertinent confidential student information including known medical problems, family work, home and cell phone numbers, and emergency contacts in the event a student becomes ill or is injured while at school. They are sent to the parents and posted online as well.
- These cards are to be filled out completely on both sides and returned to the Health Office by the first day of school each year.
- Please notify the school of any changes during the year.
- In addition to these cards, the Archdiocese of Chicago established a new form in September of 2002, which must be completed annually for each child in the school. The form is titled The Medical Information and Emergency Notification Form.

EMERGENCY DISCLOSURE OF INFORMATION

The school is required by law to disclose personally identifiable information from a student's education record to law enforcement, child protective services, health care professionals and other appropriate parties in connection with a health and safety emergency if knowledge of the information is necessary to protect the health and safety of the student or other individuals.

MEDICATION POLICY

Although administration of medication is normally a home function, provision may be made for students who require medication during the school day. The following are necessary for medication to be provided at school. These requirements are for prescription as well as nonprescription (over the counter) medications:

- The Archdiocese of Chicago established a new form in September of 2002 which must be signed by the physician. The form includes the student's name, the order from the physician with the name of the medication, the dosage, the intended effect of the medication, the expected side effects, if any, and other medications the child is taking. The reverse side of this form must also be completed by the parent who authorizes the school administration or their appointees to administer a specific medication to the student.
- Any medication must be brought to the school by a parent or other responsible adult and must be in the original container, properly labeled with the directions, name of the drug, and the child's name. Prescription medication must also have the doctor's name on the bottle. Never send medication to school in a baggie, envelope, or lunch box/bag.
- All medications are stored in the Health Office in a locked cabinet. The school nurse will administer all medications, or if not available, a designated administrator or substitute nurse will administer medications. Children must NEVER carry or take medication on their own, except in the case of inhalers for asthma for which there is a separate form filled out by the physician which is on file in the Health Office allowing for self-administration of this medication.
- Tylenol and/or Advil cannot be administered without the Archdiocesan forms for medication administration being completed by both the physician and the parent as documented above and a fresh bottle of medication brought in each year with the student's name on it.

FIRST AID PROCEDURES

- First Aid, when administered, will be handled in accordance with the American Red Cross Standard First Aid and American Heart Association CPR guidelines.
- If a situation is deemed serious, parents and/or the Winnetka paramedics will be contacted as soon as possible. Winnetka paramedics are required to take patients needing emergency hospital care to the nearest facility, which is Evanston Hospital.

PREVENTATIVE DISEASE TRANSMISSION MEASURES

In an effort to decrease the likelihood of classroom transmission of diseases, please observe the following rules:

- **Your child should be fever free for 24 hours before returning to school.** He/she should also have been retaining food without discomfort or vomiting for 24 hours in the case of a gastrointestinal virus.
- If your child misses the morning session of classes due to illness, please keep him/her home for the entire day. A few more hours of rest will do them good and make for a fresh start the next day.
- A change of clothing is recommended for Junior and Senior Kindergarten children. Underwear, pants, or sweatpants are suggested. Please bring them to school in a plastic bag marked with the child's name.
- Please notify the school Health Office if your child is diagnosed with a communicable disease such as strep throat, scarlet fever, or chicken pox. These diseases are no longer reportable to the Health Department; however the school continues to send letters to parents alerting them to these diseases.

STUDENT INSURANCE

- Under Chicago Archdiocese regulations, all students attending FHC must carry student accident insurance. The premium for this insurance is automatically included in the consumable materials fee.
- This policy is secondary to any other accident insurance the student may already have.

SCHOOL WIDE DISCIPLINE POLICY & STUDENT/PARENT CODE OF CONDUCT

The School of Ss. Faith, Hope & Charity strives to achieve academic excellence and instill Catholic values. The school believes that to create an optimal learning environment, it is essential that the school community be safe, nurturing and inclusive. In creating and maintaining such an environment, the school has a mission to partner with entire school community and parents in particular, in the task of educating the whole child. By definition, the word discipline means: *training expected to produce a specific character or pattern of behavior, especially training that produces moral or mental improvement*. Without discipline, there is no order; without order, we cannot succeed in our mission. Children thrive by having clear and consistent boundaries, and it is our objective to provide these boundaries for our students.

The School of Ss. Faith, Hope & Charity holds all students to a high standard of behavior in all environments: classroom, lunchroom, playground, and off-campus settings. Students will receive positive reinforcement for appropriate behavior and consequences for inappropriate behavior. Students are expected to be respectful, helpful, and supportive to their classmates, teachers and visitors on campus.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation students' behavior may falter. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, boundaries and limits provide a young person with both guidance and security. Students are to be responsible for their actions, and consequences are necessary when they make bad choices. Students have the right to know these consequences before they act.

At The School of Ss. Faith, Hope, and Charity, students are expected to exhibit **CHRISTIAN** behavior at all times, to show **RESPECT** for self, authority, classmates and school property, and to be **RESPONSIBLE** for their own learning and actions. Students will honor the privilege of their Catholic education by carrying out these three values and following The Student Code of Conduct and Student Expectations.

The School of Ss. Faith, Hope & Charity is a part of the Archdiocese of Chicago, and therefore adheres to the following guidelines:

Inappropriate behavior on the part of a student may call for corrective response. Whatever measure is used, it must be a logical consequence of a student's behavior and must be appropriate to the nature and degree of the misconduct. Justice and fairness must be tempered with respectful kindness.

Progressive Discipline

The School of Ss. Faith, Hope & Charity endorses the concept of progressive discipline. Progressive discipline means an approach that uses a range of different prevention strategies, supports and escalating consequences. These strategies, supports and consequences are designed to be developmentally and age appropriate, and include opportunities for learning that reinforce positive behaviors and assist students in making good choices; and in appropriate cases, provide the student with the opportunity to reflect on and remedy inappropriate behavior before the imposition of more severe consequences.

Progressive discipline may include early and/or ongoing intervention steps or strategies such as (but not limited to) the following:

- Personal interview with student conducted by teacher or staff member
- Contact with parent/guardian
- Verbal reminders
- Review of expectations
- Written assignment with a learning component
- Consultation with principal
- Volunteer service to the school community
- Conflict mediation and resolution

Progressive discipline may also include (but will not be limited to) the following corrective steps and consequences:

- Meeting of student's parent(s)/guardian(s) and student with principal
- Loss of privileges, including participation in athletic activities
- Detention after school with communication to and cooperation of parent/guardian
- Written statement of expected behavior
- Withdrawal from class
- Restitution for damage
- Suspension or probation
- Expulsion.

These steps and consequences are provided as examples. The appropriate disciplinary response will be determined in each case by the principal, faculty and staff using the information at hand at the time of the incident.

The school believes that progressive discipline is most effective when communication between the school and the student's parent(s)/guardian(s) regarding the student's behavior and expectations for the student is candid, courteous and constructive.

In cases of serious misconduct, the principal may determine in his or her discretion that the response required in the circumstances is not compatible with the use of progressive discipline.

In all cases of inappropriate student behavior, the school will consider, in evaluating the response to be made and attendant consequences (a) any mitigating factors (such as the absence of any past inappropriate behavior or discipline and/or provocation of the student committing the inappropriate behavior due to, for example, bullying or due to harassment related to race, ethnicity, disability, religion, etc.), (b) the nature, frequency and severity of the behavior and (c) the impact on the school environment and community as a whole.

After School Detention

A student who is given a detention must:

- bring a detention slip home to have signed by his or her parents, and return the slip to school the following day;
- stay at school until 3:50 pm on a determined day to complete a behavior reflection packet.

Detentions will be served after school on Mondays and Wednesdays. If a student cannot attend on the assigned day, he or she will report to detention on the next possible date and will have to stay 10 minutes longer (i.e. until 4:00 pm).

Students who receive more than three detentions in one calendar quarter will be required to attend a meeting with their parents, teachers, the school principal, and possibly the pastor. School administration will decide the next level of consequence.

Loss of Athletic Eligibility

Inappropriate behavior may result in a student's athletic eligibility being revoked.

Students and parents should also be aware of the following FHC Athletic Handbook provision:

“Proper school behavior, respect of both others and others' property, good citizenship and sportsmanship are to be practiced on a daily basis whether in school or at a sporting event outside the FHC campus.

Any student who receives a “C-“ in an academic subject will be placed on athletic probation for two weeks. During this time, the student's academic progress will be monitored and if the grade is a C or better, the student will be reinstated on the team. The Principal will notify the coaches regarding eligibility. The Principal/ Athletic Director reserves the right to remove an individual from a program should a situation occur that warrants it.”

Suspensions

A suspension involves being temporarily dismissed or excluded from attending regular classes. Parent notification will occur before a suspension is implemented. School administration will determine the length of the suspension depending upon the nature, severity and frequency of the behavior, and its impact on the school environment and community. A student who is suspended loses eligibility for athletic events during the suspension and for merit awards during that quarter. Tests missed during a suspension will be recorded as a zero. Suspensions will become part of a student's permanent record.

There are two types of suspensions:

- **In-School Suspension**

An In-School Suspension requires the student to attend school, but he/she is kept separated from usual classes and activities while under the supervision of a staff member.

- **Out-of-School Suspension**

An Out-of-School Suspension bans the student from the school entirely for a specified amount of time.

Expulsion

In extreme cases of misconduct such as those listed below, the school administration reserves the right to expel (i.e. permanently remove from school) a student.

The use of suspension or expulsion will be supported in cases of serious infractions or misconduct occurring on school property, during a school related activity or event or in other circumstances where an infraction or misconduct impacts the school environment or community.

Examples of infractions and misconduct for which a suspension or expulsion may be imposed include but are not limited to the following:

- Uttering a threat to inflict serious bodily harm on another person
- Possessing or selling (or encouraging others to possess or sell) illegal or restricted drugs, alcohol or tobacco
- Being under the influence of alcohol or illegal or restricted drugs
- Swearing at a teacher or another person in a position of authority
- Committing an act of vandalism causing damage to school property or property located on school premises
- Bullying
- Committing physical assault on another person that causes bodily harm
- Engaging in behavior of a sexual or sexually suggestive nature, or other lewd behavior
- Committing robbery or theft
- Possessing or using a weapon, including a firearm (real or otherwise) or knife, or possessing or using other dangerous items, including firecrackers, fireworks or handcuffs or any other school-banned items
- Any act considered by the principal to be damaging to the school community and/or to the physical or mental well-being of other students or members of the school community
- Activities on or off school property that cause the student's continued presence at school to be an unacceptable risk to other members of the school community (or to their physical or mental well-being)
- Demonstrating through a pattern of behavior that the student has not benefited from the instruction available to him or her, and has repeatedly resisted making changes to his or her behavior that would enable the student to benefit from the instruction available and thrive in the school environment.

These types of misconduct are provided merely as examples of behavior that may warrant suspension or expulsion. They are not the only types of misconduct that may warrant such a response. The appropriate disciplinary response will be determined in each case by the principal, faculty and staff using the information at hand at the time of the incident.

I acknowledge that my teachers have reviewed and familiarized the students with the Student Expectations and Code of Conduct. **I understand that I am responsible for my actions and when necessary consequences will apply.**

The PARENT Expectations and Code of Conduct

The students' interest in receiving a quality, morally based education can best be served if students, parents, and school officials work together. At The School of Ss. Faith, Hope & Charity, it is a privilege to work with parents in the education of their children because parents are the primary educators of their children. Therefore, it is the parents' right and duty to become the primary role models for their children's lives---physically, mentally, spiritually, emotionally, and psychologically. Parents are also attentive observers and listeners when it comes to their children's behavior and attitudes about school. The Code of Conduct and Expectations for Parents include, but are not limited to, all school-sponsored programs and events (e.g., athletics, field trips, after school clubs, performances, etc.).

As a Faith Hope Parent...

- I will strive to feed my child a balanced, nutritious diet and allow for them to get the proper amount of sleep.
- I will strive to empower my child to live out gospel values in daily life.
- I will strive to get my child to school on time and picked up on time at the end of the day.
- I will work with my child to make sure they are dressed according to the school dress code.
- I will work with my child to make sure they complete their assignments on time.
- I will actively participate in school activities such as Parent-Teacher Conferences.
- I will familiarize myself with school policies and protocols regarding student safety and discipline, as well as the Student Code of Conduct.
- I will abide by the "24 hour cooling off rule" pertaining to athletics matters, as set out in the school Communication Policy.
- I will encourage my child to follow school rules.
- I will see that my student pays for any damage to school books or property or the property of others on school premises due to carelessness or neglect on the part of my student.
- I will notify the school with a written note when the student is absent or tardy.
- I will notify the school office of any changes of address or important phone numbers.
- I will meet all financial obligations to the school.
- I will inform the school of any special situation regarding my student(s) well being, safety, and health and complete and return to the school any requested information promptly.
- I will read school notes, newsletters and communications and show interest in my student's total education.
- I will support and cooperate with the discipline policy of the school, and emphasize with my child the importance of discipline as a tool for learning.
- I will work courteously and cooperatively with the school to assist my student(s) in meeting

the academic, moral, and behavioral expectations of the school.

- I will respect the differences in others and refrain from gossiping about other children or parents at the school, and I will stress with my child the importance of standing up for the weak and vulnerable.
- I will not publicly make derogatory, disparaging, defamatory or threatening statements about the school, its staff or students or post any such statements on social or other media.
- I will *constructively and respectfully* express any concerns I may have about the school's operation and its personnel. I will not do so in a manner that is discourteous, scandalous, rumor-driven, disruptive, threatening, hostile, or divisive.

As per the Archdiocese of Chicago Office of Catholic Schools Handbook, if the partnership between home and school is no longer viable, the school reserves the right to require the parent/guardian to either remove their child(ren) from the school or not accept registration for the next school year.

BULLYING

Bullying is defined as “any overt acts by a student or a group of students directed against another student with the intent to ridicule, humiliate, or intimidate the other student while on school grounds or at a school-sponsored activity, which acts are repeated over time.”

- Community members who feel they have been victims of such misuse of technology should not erase the offending materials from the system. They should print a copy of the material and immediately report the incident to the school administration.
- What students do off-campus that detrimentally impact a school or program's reputation or students who defame others in the school community (parish personnel, school personnel, or students) are subject to school consequences – even if the misconduct occurs outside the school.

REPORTING BULLYING

- FHC expects students, parents and others who witness or become aware of an instance of bullying or retaliation involving a student to report it. Reporting of a bullying instance may be made to
 - A classroom teacher;
 - The school principal;
 - A Parish priest;
 - A FHC School Board member
- Reports may be made anonymously, but no disciplinary action will be taken against an alleged aggressor solely on the basis of an anonymous report.
- Students, parents and others may request assistance from a staff member to complete a written report. After reporting the harassment, all parties are to keep the information confidential.
- There are no express time limits for initiating a report of bullying, however every effort should be made to bring the complaint to the attention of the school as soon as possible while memories are fresh and witnesses continue to be available.

NO names or information revealing a child's identity will be used on the school's website.

The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The supervising faculty member is expected to give each student instruction regarding proper use of the network.

The duly elected officers assume responsibility at this time.

Meetings are usually held on the second Friday of the month. FUNDRAISING

ANCHOR FUND

BLARNEY BASH

SCRIPS PROGRAM

CHRISTMAS FUND

This fund is not sponsored by the school or PTO. Donations are sought, via a letter mailed in early December, by a family who volunteers to organize the collection of money. Funds collected are divided equally among all teachers and staff as a Christmas gift. While families are free to give individual Christmas remembrances to teachers and staff, there will be no other organized collection for Christmas gifts to teachers. This process was adopted to make the Christmas gift-giving equitable among all teachers, including “specials” teachers and non-homeroom teachers.

BULLDOG WEAR

In order to foster school spirit, the PTO sells bulldog wear to the students and their families, typically in the first month of school. Bulldog wear changes from year to year based upon styles but typically includes t-shirts, sweatshirts, shorts and other items with our bulldog or FHC logo. Every child needs at least one piece of bulldog wear for spirit days which are out of uniform days once a month. All proceeds from the sale of bulldog wear goes to the PTO’s fundraising budget.

BOOK FAIR

Sponsored by the PTO and the Book Stall in Winnetka, the book fair is typically held in November. On the day of the Book Fair, a portion of all proceeds on books sold to FHC families and friends will be given back to the school. This is also a great opportunity for friends and families to purchase much needed books and donate them to our school library.

EXTRA SCHOOL ACTIVITIES

WELCOME BACK COFFEE

This is a PTO sponsored event which is held on the first day of school for all parents in the courtyard (or gym if inclement weather). After dropping children in their new classrooms, it is an opportunity for parents to socialize and for new parents to meet other people. Pre-school children are welcome.

BACK TO SCHOOL FAIR

This must-do event for all families is typically held within the first 2 weeks of school (right after school drop-off). The Fair is in the school gym. This is the time to take care of back-to-school matters and sign up for all PTO volunteer activities. Do not miss this chance to volunteer for your child(ren)'s classroom activities, such as field trip chaperones, holiday party volunteers, spiritual retreat helpers, etc. This is also your opportunity to order your yearbook(s), sign up for Scrip and order the all important BULLDOG WEAR which your children will want for Spirit Days. In addition, you can turn in any school or PTO forms not yet submitted. Aside from all you can accomplish at the Fair, it is a great time to meet new and old families! Pre-school children are welcome to attend. Refreshments and coloring tables are provided.

NEW FAMILY GATHERING

Each year the PTO sponsors a party welcoming the new families to the school. Attendees include new families and their FHC host families and PTO officers. This provides new families an opportunity to meet other FHC families in a casual and fun environment.

HARVEST DAY

The annual Harvest Day festival is held on a Sunday in October in the parish athletic field across Linden Avenue from the church. All proceeds from this event, which is sponsored by the parish Sharing Committee, are donated to one of the sharing parishes, Children of Peace School in Chicago. The day begins with the Children of Peace School choir singing and doing the readings at the morning mass. After mass, everyone congregates on the parish athletic field for the festivities. This family oriented fair includes games for all ages, pumpkin, face and cookie decorating, food, bake sale, homemade apple cider, DJ music and prize drawings. FHC students volunteer to help with various activities.

HALLOWEEN

Students are allowed to come to school dressed in the costume. No masks or weapons of any kind, are allowed. Costumes are kept on throughout the day so be sure they are comfortable or easy to remove, if desired. A parade of all students takes place in the school parking lot at 2:15 p.m. All parents are invited to attend the parade, as it is a great photo op and fun to see all the creative costumes.
