Nurse’s Notes
Hello all,

Good afternoon, I guess since we had Spring weather in February, it makes sense that we will be getting winter weather in March. That being said however, we are still on the healthy side here at FHC. I am sure that some of you have heard that there are at least 2 confirmed cases of Mumps in Barrington. No one is quite sure how Mumps got to Barrington, but it has. Due to this, I decided to remind everyone one more time about the importance of reporting illnesses to the Health Office. Certainly if you or one of your children are diagnosed with one of the illnesses that is considered communicable such as Measles, Mumps, Rubella, Whooping Cough (Pertussis), Chicken Pox (Varicella) or actual Influenza, these need to be reported to the Health Department, and therefore to the school. As you know there are immunizations to prevent all of these illnesses, however what seems to be happening is that we are finding that at least 1 booster is required to maintain immunity and maybe even two or more boosters for some of these illnesses. The important thing is that by immunizing we have all but eliminated many of these communicable illnesses such as Polio. So back to the message of this note, If someone in your family is diagnosed with one of these illness, not only are some of them treatable, but you must let the school know so that we can take appropriate measures to be sure that all of our families are safe and healthy. Thank you and I hope you all have a wonderful, safe and healthy weekend.

Counselor’s Corner
A Note from the Social Worker
Paula Alexander, LCSW

March is Social Worker Month, so I thought I would take this opportunity to remind you about my role as the school social worker. As the school social worker, I look at situations with a holistic approach taking into consideration the whole child. As part of the educational team, I collaborate with teachers to solve problems, create a positive school climate and develop partnerships between home, school and the community to ensure academic success for all students. I work with students one on one, in groups and in classrooms teaching our social emotional curriculum. I enjoy bringing in speakers so we can learn together about how to parent in the 21st century and support our children to become healthy and productive citizens. If your child is experiencing behavioral or emotional challenges or if you have any parenting topics you’d like to explore, please feel free to contact me.

SmugMug Photos
FHC will be continuing with our SmugMug photo collection site for the 2016-2017 school year. Please forward your pictures, taken at school, to Evelina Snell (evelinasnell@yahoo.com or text at 847-525-5854). These photos will be available for all to enjoy! Families are encouraged to visit the site to see what's happening at school and your child's classroom! You are able to purchase photos or downloads directly from the site and proceeds go to our Anchors with Heart fund. Feel free to share the galleries with your family and friends. Any questions, please contact Evelina. Thanks in advance for your photos of your wonderful children!

If you would like to view photos from last year, church bulletin entries or other photos on the site, please click on the little house next to FHC 2016-2017. FHC 2016-2017
Enrich Your Lenten Season and Help Others Do the Same

Lent begins on Ash Wednesday, March 1st. Ss. Faith Hope & Charity will once again be inviting parishioners to join small groups to enrich their Lenten experience, this year reading Matthew Kelly’s *Rediscover Jesus*.

If you are able to facilitate and/or host one of these groups of 8 - 10 people, please contact Pam Coster at pcoster@gmail.com or 847-441-6245. Training will be provided for facilitators, as well as a written guide.

Making Room for God in the Busyness

Do you feel like you have no time for God in your day-to-day life?

Do you wonder how your life could be different if you could nurture your relationship with God while tending to your other responsibilities?

Our lives are busy and full. It might feel like a challenge to take care of daily tasks let alone make room for time with God. The reality, though, is when God gets pushed to the side we can begin to feel “off” and restless.

Join us for a morning of reflection facilitated by Becky Eldredge, author of Busy Lives and Restless Souls: How Prayer Helps You Find the Missing Peace in Your Life. Explore ways and practical tools for making room for God in our lives, even amidst the busyness!

Becky Eldredge is an Ignatian-trained spiritual director, retreat facilitator, and writer who helps others create space to connect faith and everyday life. She is the author of the newly released book, Busy Lives and Restless Souls (Loyola Press), and blogs at Cultivating Space for God. Becky lives in Baton Rouge with her husband and three young children.

Registration will be open only for Faith Hope parishioners until February 26th and for other parishes thereafter. Space is limited. Register early!

To register, contact Sarah Ryan at the parish office at 847-446-7646 or sryan@faithhope.org. There is no fee to attend.
DISTRICT #36 EARLY CHILDHOOD SCREENING
For Winnetka Residents 3-5 Years Old

If you are a Winnetka resident and have any concerns about your child’s development in the areas of speech, language, coordination, hearing, vision, learning readiness, or emotional maturity, you are encouraged to register your child for an early childhood screening. The intent of the screening is to identify children who may have delays in their development and may require specific supports to address these delays. To be eligible for this screening, your child must be at least three years old.

Parents should register their children at The Winnetka Public Schools District Office (1235 Oak Street) at the time listed below. Please bring a certified copy of your child’s birth certificate that will be copied and returned to you. Proof of residency (mortgage statement or lease, a copy of your driver’s license, and a copy of a recent utility bill) is also required. It is not necessary to bring your child/children with you to registration, nor is it mandatory to have the screening done for entrance to preschool or kindergarten.

Registration will take approximately 30 minutes. Parents will be asked to complete a questionnaire and be provided with times for hearing and vision screenings, and an appointment for the early childhood screening.

REGISTRATION
Friday, February 24, 2017 9:00am – 11:30am
District Administration Building, 1235 Oak Street

VISION AND HEARING SCREENING
Thursday, March 2, 2017
District Administration Building, 1235 Oak Street

Appointments will be available between 9:00am – 12:00pm. We will do our best to accommodate your child’s schedule, but only a limited number of slots are available. Screenings last approximately 20 minutes.

EARLY CHILDHOOD SCREENING
Wednesday, March 15, 2017
Winnetka Park District Community Room, 540 Hibbard Road

One-hour appointments will be scheduled during the hours of 9:00am - 4:00pm (with a break at noon). Every effort will be made to accommodate your child’s schedule, but only a limited number of slots are available.

Contact Beth Martin, Director of Student Services, with questions about the screening.
Contact Laura Hersher, Administrative Assistant, with questions about scheduling and registration.
