Lunch Ordering is NOW OPEN

When Do I Need To Order Lunches?

♥ It's Simple... Orders, Changes or Cancellations need to be checked out before WEDNESDAY'S AT NOON for the NEXT week of lunches.

♥ We recommend ordering as far out as you can, so you'll never miss out on lunches.

♥ We have no way to make exceptions to the order, cancel and change policy, including student absence. If you miss the deadline, you may choose to either arrange to pick up your child's lunch during their lunch period or you can make someone's day and offer to gift the lunch to a special teacher or staff member if you would like.
