

The parents of the 5th grade class are excited to introduce our 2021 Blarney Bash, reimagined as a "Close to Home" virtual party!

Faith Hope and Charity's annual Teacher Appreciation Party will include a live streamed traditional Irish mass followed by an exciting virtual event including a live/silent auction and paddle raise. As our school's largest fundraiser, the Blarney Bash raises funds to recognize and celebrate our beloved teachers with year-end bonuses and to fund curricular and capital improvements to our school.
